

# Add your Club's sessions to the Active Dorset Activity Finder

Our new website includes the first Active Dorset Activity Finder. This is an easily manageable and powerful one-stop-shop for clubs, groups, venues and activities in Dorset.

Once you have a personal profile you will be able to register your club on the website and this will enable you to manage a public facing profile for your organisation. You will then have the opportunity to add your clubs sessions so that they appear in the Public Activity Search.

Create a personal profile for the Active Dorset website here:

<http://www.activedorset.org/login#register>

In order for you to add activities to the Activity Finder you need to be register the organisation:

<http://www.activedorset.org/user/organisations>

[Home](#) » [Users](#) » [My Clubs & Organisations](#)

## My Clubs & Organisations

[+ Add New Organisation](#) [Link Existing Organisation](#)

Add your club/organisation, or link to an existing one using the options above. Once your application has been approved, you'll be notified and your club/organisation will appear below. You'll then be able to add details of your specific sport and physical activity sessions for users to find and view in our [Activity Finder](#) search engine.

You haven't created or linked to any clubs or organisations yet.			

You can either 'Add a New Organisation' or 'Link Existing Organisation'

You will then be able to add sessions to the Activity Finder by following this link:

<http://www.activedorset.org/activity-finder> and clicking 'Submit your activity, club or venue'
