

Bournemouth Velodrome COVID19 Rules of Conduct (Updated 22nd Sept 2020)

- All activity should be consistent with Government guidance regarding health, travel, social distancing, and hygiene at all times
- All coached and club activity should conform with British Cycling 'The Way Forward' guidance
- Keep at least 2 metres apart from other people at all times whilst riding – be respectful and allow other riders to pass at a safe distance where necessary
- If you are showing coronavirus symptoms, or if you or any of your household are self-isolating, you should stay at home
- Riders should arrive changed and ready to ride
- Ride well within your ability – do not try difficult skills or ride too fast
- Riders are encouraged to wear the appropriate safety equipment to minimise the risk of injury
- Do not congregate with other people under any circumstances – at this time, the only reason for being at the track should be to ride
- Once you have finished your loop, or if you are waiting please make sure you take a break away from the start/finish area to ensure social distancing and let others take a chance
- Clean your equipment before and after riding and try not to touch anything else
- No physical contact – no hugs, high-fives, or handshakes with others except people in your own household
- Do not share any mobile devices, equipment, food, or drink with others
- Wash your hands regularly, including before leaving home and on returning home.
- Please bring hand sanitizer with you to use
- Only use this facility if you are actively riding and leave as soon as possible after finishing
- Please leave plenty of space and be considerate of other riders
- STAY ALERT-STAY SAFE. Remember you will not have the space to catch less confident riders, you will have to slow down, and you need to allow space to pass if necessary
- Spectators (including parents/guardians) should not congregate and are restricted to discreet six-person gathering limits and be spread out in line with Government guidance
- NHS Test and Trace – scan the Bournemouth Velodrome QR code to help trace and stop the spread of coronavirus
