- Supported 46 national governing bodies for sport in the delivery of their whole sport plans.
- We trained 1350 young leaders so they can lead sport at their school but also enjoy the first experience of leading their peers
- Worked with many local clubs, schools and employers to support a range of programmes aimed at increasing participation

**PART 2 – CONSULTATION WITH STAKEHOLDERS** – Please indicate who the company’s stakeholders are; how the stakeholders have been consulted and what action, if any, has the company taken in response to feedback from its consultations? If there has been no consultation, this should be made clear.

The company's stakeholders are the population of Dorset, local clubs, schools and employers. Regular engagement with stakeholders takes place and informs the priorities for the company. In 2019/20 we established the Dorset Young Persons Local Organising Committee (DYPLOC) which helps us gather insight and priorities for young people across the County.

Each forum has different themes and stakeholders attending but they always bring partners together with a common goal of increasing sport and physical activity participation in the county.

Regular contact with local authorities and other key partners such as public health has led to the company supporting numerous capital projects as well as health, transport and planning initiatives.
